Commissioner Yoder expressed his desire for groundwork to be completed by the Peach County Public Works Department and for other aspects of the project to be sent out to bid.

Commissioner Yoder declared that traffic is a major issue at Highway 341 and 96. Normally, most City and County projects are separate, but this is a logistical issue involving both entities. A previous property acquisition will allow Highway 341 North and South to have access to the overpass. The Georgia Department of Transportation (GDOT) is projected to begin the project in 2023. A Public Meeting will be held on August 30, 2022, to address issues and inform the public.

In her time of retirement, Ms. Thomas has tapped into several transitional programs such as SkillsBridge, for those who have served in the military. If approved, a trainee in the military will have six (6) months to prepare to work for any company within the network. In turn, the military is still paying the individual their salary while they serve in these internship positions and the trainee is able to build up their resume. SkillsBridge is a beneficial industry partnership between the employer and the military. Ms. Thomas advised that this program would assist the County in hiring dependable employees straight out of the military. Ms. Thomas will speak with Michelle Williams, Human Resources Manager, to further discuss the details of SkillsBridge.

OLD BUSINESS:

Vice-Chairwoman Hill advised that the Board of Commissioners received a letter from the Board of Elections requesting an increase in Poll Worker wages by \$35.00, bringing the Manager pay to \$200.00, Assistant Manager pay to \$179.00 and non-manager pay to \$170.00. The Board would also like to request an increase in the Clerk's wages. The poll workers have not received an increase in pay in over 20 years. Most of the elderly workers have been working since 1965 and have been faithful to Peach County. The Clerks work many hours throughout the year. Right now, Clerks earn \$9.25 per hour which is less than the average wage in the fast-food industry. The Board of Elections has requested a \$0.75 increase, bringing Clerk's wages to \$10. The requested increases would total to approximately \$1,650.

PRESENT		FUTURE	
Managers	3 @ \$1.65	Managers	3 @ \$200
Asst. Mgrs.	3 @ \$1.44	Asst. Mgrs.	3 @ \$179

Although the Board of Elections use Clerks when employees are out of the office or on special projects, the three (3) weeks of Advance Voting holds the largest payroll statistics for Clerks in an Election Year. This year the Board had a total of sixteen (16) Clerks and approximately 1801 hours worked in three (3) weeks. This total includes both Elections. Therefore, the requested increase would be approximately \$1,350.75.

Commissioner Yoder moved to approve the estimate from CentrAlert as well as a Budget Amendment in the amount of \$14,159.50. Vice-Chairwoman Hill seconded the motion. Motion carried unanimously.

Janet Smith, Assistant Finance Director, presented a Budget Amendment for Commissioner Bryant to attend the Association of County Commissioners of Georgia (ACCG) Legislative Session in Jekyll Island at the end of September. The Budget Amendment request is for \$1,751.00. Commissioner Yoder expressed that he thinks the Board should try to stay within the established Education and Training Budget.

Vice-Chairwoman Hill expressed that the Board regularly approves Budget Amendments from other departments, and this should be no different, especially since Commissioner Bryant's Budget is much smaller by comparison. Commissioner Bryant wants to be educated and she deserves to go to the meetings if she desires to. Other counties don't have Budgets that limit their meeting and conference attendance. Vice-Chairwoman Hill stated that it is not fair to Commissioner Bryant.

Commissioner Bryant advised that the main reason she wants to attend this Legislative Session is because she has been appointed to the Lifelong Learning Board for ACCG. She represents Peach County on that Board, and it should bring a sense of pride to the County. Commissioner Bryant offered that she is willing to take money out of her Education and Training Budget for FY23 to allow her to attend the Legislative Session if possible.

After further discussion, Commissioner Yoder and Vice-Chairwoman Hill offered to transfer the amount from their Education and Training Budgets to Commissioner Bryant to allow attendance for the Legislative Session in September. A Budget Amendment will be needed to do so.

Commissioner Yoder advised that the I-75 interchanges within Peach County have a lot of potential and inquired if the Board would entertain an agreement for advanced upkeep with the Georgia Department of Transportation (GDOT), the City of Byron, and the City of Warner Robins. There are a few areas around guardrails with trash and blown tires that need attention as well as some areas that GDOT does not mow. The Board decided to further discuss and seek partnerships for upkeep.
